Meeting Point of the Heart

Follow HIM, in spite of everything!?

We cannot get it out of us, can we!?

Despite chaos and death

The question: How does life grow out of it?

Despite worries and fears

The question: Where do we go?

Despite hunger and suffering

the question: How do we share and heal?

Despite all the darkness on human souls
the question: How to turn towards the light?
Despite seemingly insurmountable trenches
the question: How is peace achieved?
Despite all failure
the question: Who raises up?
Despite all life
the question: Who, if not WE?
Hand on your heart and you sense
where YOU stand with HIM
